LOT 76 - 1943 Silver War Nickels Set of Two Vintage

Description

This auction features two wartime Jefferson Nickels from 1943. These s are made from a special alloy of 56% copper, 35% silver, and 9% manganese, marking a significant historical period during World War II when nickel was conserved for the war effort. Each displays the classic profile of President Thomas Jefferson on the obverse, with the reverse showcasing Monticello, his Virginia estate. Collectors will appreciate the unique composition and historical significance of these mid20thcentury pieces. Add them to your collection today!
