LOT 101 - 1941-1945 U.S. Volunteer Appreciation Plaque for WWII Bond Service

Description

This unique item is a commemorative plaque or token, issued by the United States government. It honors the volunteer efforts in financing World War II through the sale of U.S. Savings Bonds. The plaque is dated from the years 1941 to 1945 and features an embossed image of a soldier with accompanying text expressing gratitude for the support of 85,000,000 Americans. This piece serves as a fascinating historical artifact from the era of World War II, showcasing the collective effort made on the home front. Ideal for collectors of wartime memorabilia or those interested in U.S. financial history.
