LOT 12 - 2015 China Silver Panda 10 Yuan PCGS MS70 First Strike

Description

The 2015 China Silver Panda 10 Yuan, graded PCGS MS70 First Strike, is a key entry in the beloved Panda series, with a mintage capped at 8,000,000 coins. Despite the sizeable mintage, its significance within the series is heightened by the change in its obverse design, marking the last year featuring a specific weight designation in ounces before shifting to metric in 2016. Crafted by the Shenzhen Guobao Mint, renowned for its exceptional minting standards, this piece boasts impeccable strike quality with flawless surface preservation, reflecting the artistry and precision that Chinese mints are celebrated for. Collectors prize this issue not only for its aesthetic appeal but also for its position as a bridge between Panda design epochs, enhancing its importance for completing any comprehensive Panda series set. The MS70 grade, coupled with First Strike designation, underscores its premium status, making it a coveted item amidst registry set builders and coin enthusiasts alike.
