**LOT 7 - 2020 Niue Star Wars Darth Vader PCGS MS69 First Day Issue**

**Description**

The 2020 Niue Star Wars Darth Vader coin, part of a beloved pop culture series, boasts a low mintage of just 30,000 pieces, making it relatively scarce in the vast universe of themed silver coins. Illuminated by the vision of artist Lucas Heyne, this legal tender from Niue features an intricate design capturing the iconic visage of Darth Vader—a significant draw for both Star Wars enthusiasts and numismatic collectors alike. Graded PCGS MS69 and certified as a First Day Issue, this exemplary piece is notable for its near-perfect strike and superior luster, reflecting the high standards of quality control at its minting facility in New Zealand. With Star Wars-themed coins increasingly popular in high-end collections, this coin offers a unique opportunity to secure a piece with crossover appeal in both modern numismatics and popular culture memorabilia. Surface preservation remains pristine, with no notable defects, ensuring its value as both a standout collectible and a key element in completing a Star Wars coin series collection.
