**LOT 10 - .999 Fine Silver 1.80 Ounce Medical School of Anatomy Medal in Silver, Anatomical Scene, Detailed Cr**

### Description

This exquisite Medical School of Anatomy Medal is crafted from high-purity silver, showcasing a stunning anatomical scene that highlights the detailed craftsmanship of its design. Weighing approximately one ounce, this medal not only holds intrinsic bullion value but also appeals to collectors due to its unique historical significance and artistic merit. Minted with precision, it stands as a testament to the intersection of art and science, making it a coveted piece for both precious metal investors and medical history enthusiasts alike. The collector premium associated with this medal reflects its rarity and the demand for such specialized commemorative items in the market.
