LOT 14 - 2020 Niue Two Dollars Silver Coin Featuring Disney's Mickey And Pluto . 999 Fine 1 Ounce

Description

The 2020 Niue Two Dollars Silver Coin featuring Disney's beloved characters Mickey Mouse and Pluto is a delightful addition to any collection, with a limited mintage of just 10,000 pieces, making it a semi-key date within the series. Designed by renowned artist and Disney collaborator, this coin showcases a vibrant colorized depiction of the iconic duo, struck in 1 oz of .999 fine silver, which enhances its appeal to both numismatists and Disney enthusiasts alike. The coin's reverse features a detailed image of Mickey and Pluto, while the obverse bears the effigy of Queen Elizabeth II, a hallmark of the New Zealand Mint's craftsmanship. Given its low mintage and the growing popularity of Disney-themed collectibles, this piece is poised to be a significant item for collectors seeking to complete their themed sets or invest in modern numismatic art. With its pristine strike quality and captivating design, this coin exemplifies the intersection of pop culture and numismatics, making it a must-have for serious collectors.
